Find Strength and Love in God

“My soul proclaims the greatness of the Lord; my spirit rejoices in God my Savior, for he has looked with favor on his lowly servant. From this day all generations will call me blessed: the Almighty has done great things for me, and holy is his Name.”

~ Luke 1:46-49

These words come from our holy mother, Mary as she talks to Elizabeth. Mary knew the true blessing it was to be the mother of our Savior. Like Mary it is important to be thankful for the many blessings we have in our lives. It is important to step back and realize all the things God has given us. The grace and love that pours through our lives through Him and through His son Jesus Christ. Are there moments in your life that are truly God moments? Where your life took a turn that led you to a better place. Do you realize that God played a part in those moments? Be grateful for those times and offer praise to God for them. Let us pray that we can open our hearts to realize the times God is working in our lives and be willing to listen and to act. May we always see His love around us. Let us be thankful for our family and friends, our church and church leaders, our country and those who serve it, and our council and the many members who make it a special place. May we continue to find strength and love in God our loving Father. For this we pray through Jesus Christ our Savior. AMEN.

Many Blessings,
Matt Daniels, Chancellor
